Wichita Falls to Cut Ribbon on New Transit Facility

Wichita Falls, Texas – The city of Wichita Falls is excited to invite the public to the official ribbon cutting for the new public transportation administrative and maintenance repair facility.

The new 28,000 square foot facility will house the Wichita Falls Transit System, “Falls Ride”, SHARP Lines Rural Transportation, the Wichita Falls Metropolitan Planning Organization and the Chapter 41 DAV offices. In 2018, the city of Wichita Falls was awarded \$9.9 million in grants from the Federal Transit Administration and TXDOT to build this facility.

The ceremony will take place at 10:00am on Wednesday June, 15, 2022 at 2004 Old Windthorst Road, Wichita Falls, TX 76308.
